Possible solutions for a ULB facing Complaint Count issue:

A. ULB may re-submit updated and corrected KML file after verification at the State level.

   ULBs can send corrected KML file to support@sbmurban.org support account with the subject line: <State Name> | <ULB Name> | <ULB Census Code> | KML file to be updated.

   Please note – any update to the KML files on the Swachhata portal will only be made after State has verified the KML file being submitted by the ULB and is marked on the support email.

B. If the issue still persists despite ULBs submitting updated and corrected KML, ULBs may share relevant Complaint IDs to investigate the issue further.

   ULBs can send Complaint ID details to support@sbmurban.org support account with the subject line: <State Name> | <ULB Name> | <ULB Census Code> | Complaint IDs not reflecting.
